February 10<sup>th</sup> – 12<sup>th</sup> 2022  
Tentative Day by Day Itinerary

### Day One:

After our pickups this morning we head southwest toward Burlington. Our first stop will be Dundurn Castle where we have a guide in period costume to show us this magnificent 40 room Italian Style Villa built in 1839, and all the rich history that accompanies it. Upon arrival in Niagara Falls, we'll check into our hotel. There will be time to freshen up before we go out to Ostin's for a delicious dinner before attending our first show, Beatles **ONES**. This wonderful show is an award winning journey back in time when Beatlemania was all the rage! **(D)**

### Day Two:

After breakfast, we'll board our coach and depart for a shopping excursion to the Penn Centre Mall. After all that shopping you'll have worked up an appetite, so we're off to the revolving restaurant at the Skylon Tower. Enjoy a scrumptious meal and the incredible views of Niagara Falls. After lunch, we'll return to our hotel to relax, before going out to dinner and show at the Greg Frewin Theatre. This breathtaking Las Vegas style show is internationally renowned, and has been hailed as a jaw dropping magical experience! Before returning to the hotel, we'll take a tour of the beautiful Niagara Festival of Lights. **(B, L, D)**

### Day Three:

Today we will visit the NEOB Lavender Boutique. Tour the scent of essential oils in the boutique with over 150 unique products ranging from lavender, lemongrass, and Rose geranium all grown and made in Niagara-on-the-Lake. We'll learn about essential oils production and have an opportunity to make some purchases. Before heading home will enjoy a farewell lunch at The Mandarin. After a hearty meal, late afternoon finds us continuing on the final leg of our journey back to Toronto, having enjoyed two wonderful shows, some delicious gastronomy, and carrying some unique treasures from our shopping excursions!
