CAESARS WINDSOR CASINO TOUR
June 14th – 16th 2022 or September 14th – 16th 2022
TENTATIVE DAY TO DAY ITINERARY

DAY ONE:

Once we've completed our pickups in Toronto we head west toward our destination, Windsor. Enroute we stop at one of the local restaurants for lunch (on your own). Our next stop will be Pelee Island winery for tour and tasting. After the winery it's on to the deluxe Caesar's Windsor Resort! Arrival time will be approximately 3:00pm. At check in we'll pick-up our food coupons and coin bonus, thereafter the hotel and casino are yours to enjoy. The hotel has a variety of dining options from upscale to casual. Their world class casino has a myriad of gaming possibilities. **GOOD LUCK!**

DAY TWO:

Today is a free day to enjoy the world class facilities here at Caesar's Windsor. They have a lovely indoor swimming pool and Jacuzzi. Also available is the Spa (at an additional cost) if you feel like pampering yourself! We will have our shopping tour mid-morning. We'll depart for Windsor Crossing at 10:00am. Windsor Crossing is one of the most exciting retail developments in Southwestern Ontario. Their collection of premium brand names specifically tailors to designer fashion, athletic apparel, shoes and home accessories, among others. Windsor Crossing currently houses some of the most elite brands at savings of up to 60% off every day! After shopping we'll return to the hotel. You'll have time to freshen up before we go on our dinner cruise. We will enjoy a wonderful 3 hour dinner and dance cruise before returning to the hotel.

DAY THREE:

Alas, all good things must come to an end. After breakfast (on your own) we'll check out of the hotel and meet our coach. Our first stop today will be Parks Blueberries. Parks Blueberries first planted their blueberry bushes 42 years ago! They now stand between four and six feet tall. Their orchard is one of the most picturesque settings one can enjoy. We'll have plenty of opportunity to purchase their baked goods, jams and of course fresh blueberries. Afterwards we will have lunch (on your own). Then we're back on "the road again" Arrival time back in Toronto will be late afternoon/early evening.

WELCOME HOME!
