Alas the luxury cruise portion of our holiday is over today. Once we disembark from the ship we'll enjoy our Oak Alley Plantation Tour. Experience a bygone era in one of the South's most beautiful settings – Oak Alley Plantation, built in 1839. This historic plantation is located on the Mississippi River in the community of Vacherie, Louisiana. It is protected as a National Historic Landmark. It is named after its distinguishing feature, an alley or canopied path created by a double row of live oaks about 800 feet (240 meters) long that was planted in the early 18th century, long before the present house was built. The alley runs between the house and the Mississippi River. Note: there is a café at the plantation where you may purchase lunch (on your own). After our tour we'll transfer to New Orleans airport where we check in for our flight home. Upon arrival in Toronto we'll clear final customs and take our limousine service back to our homes!
