DAY ONE:

Once we've completed our pickups we'll head north enroute to our first destination, Sudbury. Fabulous fall colour is the order of the day! Stops will be made along the way for lunch (on your own) and coffee breaks. Before reaching our hotel a stop will be made at the Big Nickel where we can take a group photo! We should arrive at our hotel mid- afternoon. After check in there will be time to relax before our included dinner tonight. (D.)

DAY TWO:

After breakfast we're off to Sault Ste. Marie, stopping along the way for coffee and lunch (on your own). We will visit and explore the Canadian Bush Plane Heritage Centre before we arrive at our charming hotel in the late afternoon. After check in you'll have some free time to explore the waterfront, boardwalk, or perhaps a visit to their casino this evening to tempt lady luck. (B.)

DAY THREE:

All aboard! This morning we transfer to the train station to board the Agawa Canyon Train. There are many words that can be used to describe Northern Ontario's rugged beauty: awe-inspiring, astonishing and inspirational are just a few. Climb aboard the one-day Agawa Canyon Tour Train for a Northern Ontario travel experience that will leave you breathless! The train will stop for two hours at the base of the canyon, where we'll enjoy a box lunch and take in the picturesque vistas and landscapes. The return time at the hotel will be late afternoon. We will have time to freshen up before dinner. (B.L.D.)
